INTRODUCTION

Emergencies in schools must be addressed in an expeditious and effective manner. Schools are at risk of acts of violence, natural, and manmade disasters. To address these threats, the State of New York has enacted the Safe Schools Against Violence in Education (SAVE) law. Project SAVE is a comprehensive planning effort that addresses prevention, response, and recovery with respect to a variety of emergencies in schools.

Charter schools are considered districts in and of themselves. Therefore, this document serves as the District Level Project SAVE School Safety Plan for Manhattan Charter Schools.

Our goals in creating and implementing our School SAVE Safety Plan are:

- To create an atmosphere and set of practices that prevent violence or unsafe conditions
- To create/implement a plan that will minimize the effects of serious violent incidents and emergencies
- To have an effective response plan for all predictable safety concern situations
- To produce a document that can be used as the basis for informing and training allschool constituencies in regard to keeping our school safe.

Plans will be produced for multi-hazard situations and will include plans for early dismissal. Key School Data:

SECTION I: GENERAL CONSIDERATIONS AND PLANNING GUIDELINES

A. Purpose

The Manhattan Charter Schools School Safety (SAVE) Plan has been developed pursuant to Commissioner’s Regulation 155.17. At the direction of the Board of Trustees of Manhattan Charter School (the ‘Board’), a Manhattan Charter Schools School Safety Team was created and charged with the development and maintenance of the Manhattan Charter Schools School Safety Plan.

The Plan was developed by the School Safety Team, following Safety Plan guidelines distributed by NYSED. The Safety Team will review emergency response plans with security professionals.

Our goal in creating this plan is to ensure the maximum safety of all students and staff at our school through careful and well-considered planning. We will conduct tabletop and actual drills of included plans to facilitate organized and effective use of these plans in the case of an actual emergency.

The plan also includes provisions for a Workplace Safety and Loss Prevention Program in compliance with Industrial Code Rule 59.

B. School Safety Team

The Manhattan Charter Schools School Safety Team will be comprised of, but not limited to, representatives from the Board of Trustees, administration, parents, students, faculty, school safety personnel, and other school personnel. The School Safety Team, charged with developing a School Safety (SAVE) Plan, has been identified as follows:

School Safety Team

Chief of Schools	Genie DePolo
Director of HR and Finance	Gianina Kesselman
Principal MCS	Meredith Mallouk
Assistant Principal MCS	Laura Nieves
Principal MCS2	Amy Salazar
Assistant Principal MCS2	Jacqueline Crabtree
Director of Special Education	Matthew Pitta
Parent Relations and Attendance Coordinator	Katherine Larrequi

Parent Member	Joyce Villaran

C. Concept of Operations

The initial response to all emergencies at Manhattan Charter Schools will be by available members of the School Safety Team. Upon activation of the School Safety Team, local emergency officials and the Board of Trustees will be notified as appropriate. Efforts may be supplemented by county and state resources through existing protocols as required.

D. Access to Floor Plans

A set of floor plans and a diagram indicating School Evacuation sites and the routes students/staff will take to these sites will be provided to local emergency response agencies as part of the School Safety Planning process. Every member of the School Safety Team will have a copy of floor plans and evacuation route maps, and a copy of each will be included in the official School Safety Binder (maintained in the Main Office).

E. Plan Review and Public Comment

Pursuant to Commissioner's Regulation, Section 155.17(e)(3), a summary of this Plan will be made available for public comment at least 30 days prior to its adoption. We will include representatives of all key School constituents and interested parties in the development and review of this plan, including a review at a Family Association meeting.

The Final Plan will be formally adopted by the Board. To ensure student safety, the plan will be considered 'in effect' until such time as a full public review can be conducted and the Final Plan approved.

Our Safety Plan will remain confidential and shall not be subject to disclosure under Article 6 of the Public Officers Law or any other provision of law, in accordance with Education Law Section 2801-a.

This Plan will be reviewed annually and will be maintained by the School Safety Team.

SECTION II: RISK REDUCTION/ INTERVENTION STRATEGIES

Prevention/Intervention Strategies

Manhattan Charter Schools believes strongly in implementing violence prevention and intervention protocols as a primary means of ensuring student/school safety. These protocols take the form of Prevention Programs, Building Personnel Training, Drills/Exercises/ Student Training, School Security Policies and Protocols, Coordination with Local Emergency Officials, and Maintenance of Educational Agency contact information as per the below:

Prevention Programs

- Responsive Classroom - is an evidence-based approach to teaching and discipline that focuses on engaging academics, building a positive community, effective management, and developmental awareness. The goal is to create safe, joyful, and engaging classrooms and school communities where students develop strong social and academic skills and every student can thrive.
- Manhattan Charter Schools will also create a positive, safe learning environment for students by creating and implementing school schedules that minimize potential for conflicts or altercations.

Building Personnel Training

- In preparation for planning and executing drills, the Safety Team will review information/guidance on the NYSED and New York State Center for School Safety websites as well as Safety Plans from other schools.
- When hiring school safety/security personnel, the School will ensure all personnel have the appropriate background (experience and training) to fulfill their role, including training in how to de-escalate potentially violent situations.
- The Schools will review the detail of its Safety Plans with all faculty and staff on a yearly basis (including all plan logistics, roles and responsibilities, and back up plans), ensuring all are clear on all roles and responsibilities as well as logistics.
- At least two members of the Manhattan Charter Schools School Safety Team will take CPR and AED training.

Drills / Exercises / Student Training

- The Schools will review all emergency response plans with students on a yearly basis, to ensure all students understand expectations for their action/behavior and that of the entire school community.
- The Schools will conduct mandated actual safety drills that test components of the School Safety Plan.

Other School safety protocols include:

- Only the front door of the schools will be open at the start of the school day.
- All school visitors will be required to show identification upon entering the schoolbuilding and to sign in at the main office. All visitors must be sent to the main office.
- All visitors will be escorted to their destination. Visitors may never wander unescorted in any part of the Schools.
- The Principals will be provided with portable radios to use in the event of an emergency drill or actual occurrence to ensure a means of communication.

Coordination with Emergency Officials

- The Principal (School Safety Team Lead), Assistant Principal, or Director of HR and Finance will contact local emergency officials to review Emergency procedures, to verify contact protocols and information, and to coordinate their involvement in School Safety drills.
